

In order to meet demand for high quality English Language learning material for students, we have created **SelfAccess™** which provides interactive, online, self-study learning tools. SelfAccess will help to improve and develop the skills required for **IELTS, FCE, TOEFL and TOEIC** examinations.

SelfAccess lessons provide questions and task types that may be encountered in these exams. Lessons **include reading, writing, listening and grammar** activities and are fun and rewarding. They are ideal for those students either studying at secondary or tertiary level, or as preparation. Lessons are based on current news articles from Reuters® News Agency.

#### Features and benefits:

- Over **350** lessons; ranging from Elementary to Advanced
- The ever-growing **library** can be searched by lesson title, topic and skills
- Access the library from **anywhere** at any time so that you can study at your own pace, in your own time.
- Reading and **listening** exercises, graph interpretation exercises, grammar support and writing exercises give you opportunities to practise and learn new skills
- Model **essays** help you to structure argumentative essays, letters and reports
- SelfAccess can be packaged as part of an **institutional** license

**English-To-Go Ltd.** was established in 1998 by professional teachers for teachers and students of the world. We offer a unique and effective approach to English language learning developed and maintained by a group of qualified linguists and teachers. Our up-to-date, topical lessons are based on news articles and current event stories from Reuters® News Agency. English-To-Go's three primary resources are:

**Instant Lessons:** English language lessons complete with teacher notes and answer key.

**Instant Workbook:** provides online interactive exercises for English language students in a self-study learning environment via the internet.

**SelfAccess:** provides interactive, online, self-study learning tools that can be used to improve and develop the skills needed for IELTS, FCE, TOEFL, and TOEIC examinations.

Visit us at [www.english-to-go.com](http://www.english-to-go.com)

**Instant Workbook™** provides online interactive exercises for English language students in a self-study learning environment via the Internet. The exercises in Instant Workbook are linked directly to Instant Lessons. The activities are fun and rewarding. Students can revise what they have been taught in their own time. They can develop and practise their skills.

Instant Workbook utilizes special log in details to give access to resources as specified by teachers. Simply activate the exercise by choosing a username and password, plus the dates you wish the exercise to be available to your students. Each username and password is valid for five days from the point of activation.

### Features and benefits:

- Reinforce particular language **skills**
- Self-paced, **self-marking** exercises free up valuable teacher time
- Based on current topical **issues**, exercises engage students
- Reading, writing and **listening** activities provide a well-rounded and varied learning experience
- Browse and view the exercises in the ever-growing **library**
- Use **My Workbook** to create a collection of favourite exercises
- Search for the exercises at a **level** that suits you best
- Students can **study** from school or home
- Exercises include activities at **9** different levels
- Generation of a username and password to give to students to access the exercises via the **Internet**
- Instant Workbook can be packaged as part of an **Institutional** license

### Recent Instant Workbook

<b>Title</b>	<b>Stressed, Stressed, Stressed!</b>
<b>Topic</b>	Causes of stress in the workplace
<b>Skills</b>	Describing graphs, writing a report, using discourse markers, finding mistakes and completing a cloze
